

Performer Call-Out - Ancient Futures

Unlimited Theatre & Upswing are inviting performers with a range of specialisms to join the creation of a new mid-scale outdoor commission entitled - **ANCIENT FUTURES**.

We are looking for Circus performers who can pick up simple choreography as well as highly physical dancers who may be able to learn some basic aerial or circus skills. We are keen to meet people with high level skills in any of the following practices - Chinese Pole, pole dance, Afro-Urban dance styles, Parkour, Cyr wheel, tumbling/acrobatics, aerial rope, aerial hoop and trapeze.

The show will draw from wider research and conversations but also the experiences of the artists and creatives involved, so we are particularly seeking artists who identify as Black or from a Global Majority background. All the roles are for people of any gender identity.

ABOUT ANCIENT FUTURES:

Inspired by West African folklore, Afrofuturism and sound system culture *Ancient Futures* will be a high energy performance that fuses dance, circus, music and storytelling.

Conceived and directed by Vicki Dela Amedume (Upswing) and J Spooner (Unlimited) *Ancient Futures* is a durational event for festivals and public spaces that builds, throughout a whole day, to an immersive evening climax.

We are working with writer and 'quantum poet' Oneness Sankara to create the story-world and mythologies that underpin our 'Afrinaut' culture. New music will be made by renowned Grime and Hip Hop Artist, **Afrikan Boy**.

Ancient Futures will feel somewhere between a sound system clash, a dance party and a launch into an alternative universe.

We are now looking for 5 performers to embody our community of Afrinauts - a group of visually fabulous strangers who will arrive at each event and, through interactive participatory experiences, lead audiences towards an explosive climax at the end of each day.

Ancient Futures aspires to not only entertain and celebrate West African culture but also to activate, inspire and build a pathway to imagine a more positive future for us all.

UNLIMITED THEATRE & UPSWING are Co-Producers of *Ancient Futures*

We are fiercely committed to promoting and creating equality and fairness and to reflecting the diversity of the communities we serve in our staff, freelancers, Board, artistic output and the audiences we reach. Unlimited is an actively anti-racist organisation (you can read more about the detail of our anti-racist work [here](#)) and we welcome, respect and value all people from all backgrounds irrespective of their gender, sex, sexuality, race, heritage, skin colour, disability, religion or anything else that mainstream society considers 'different'. We support and celebrate 'difference' and we expect all our employees, freelancers and Trustees to join us in promoting these values; to treat each other with sincere respect; to support and take care with each other; to be mindful of personal experiences and circumstance and, further, to bring attention to, report or call out behaviour that is hurtful, degrading or disrespectful in any way - no matter how 'small' or unintentional those instances may be.

We are working particularly hard to ensure this opportunity reaches people from communities that are currently under-represented in the arts. If you're reading this and can help us reach more people who identify as Black, Brown or another minority ethnic background then we would be very grateful for your passing it on.

Unlimited is a [Disability Confident employer](#) and is signed up to the [Oil Sponsorship Free](#) commitment that '*We do not take any oil, coal, or gas corporate sponsorship for our cultural work and we call on our peers and institutional partners to refuse fossil fuel funding too.*'
