

ANCIENT FUTURES – COSTUME DESIGNER CALLOUT

Ancient Futures

Afrofuturism inspired outdoor spectacular that blends contemporary circus and storytelling with Sound System culture and West African folklore.

Unlimited Theatre & Upswing are inviting a Costume Designer with skills in creating work for outdoor contexts to join us to become part of the creative team for a major new outdoor commission entitled - ***ANCIENT FUTURES***.

Our Costume Designer will ideally have both design and making skills and will create bespoke costumes that respond to the Afrofuturist aesthetic of *Ancient Futures* and enable a group of 6 highly physical dancers to perform aerial and circus skills - over successive touring dates in summer 2023, and beyond.

The commission would include a budget for a Costume Supervisor to support the making and delivery process.

Ancient Futures is commissioned by the UK's most significant outdoor festivals and will tour to at least 6 locations over the course of summer 2023.

Ancient Futures will draw from wider research and conversations but also the experiences of the artists and creatives involved, so we are particularly seeking costume designers who identify as Black or from a Global Majority background. All the roles are for people of any gender identity.

ABOUT ANCIENT FUTURES:

Inspired by West African folklore, Afrofuturism and sound system culture *Ancient Futures* is a high energy performance that fuses dance, circus, music and storytelling. Conceived and directed by Vicki Dela Amedume (Upswing) and J Spooner (Unlimited) *Ancient Futures* is a durational event for festivals and public spaces that builds, throughout a whole day, to an immersive evening climax.

We are working with writer and 'quantum poet' Oneness Sankara to create the story-world and mythologies that underpin our 'Afrinaut' culture. New music will be made by renowned Grime and Hip Hop Artist, **Afrikan Boy**.

Ancient Futures will feel somewhere between a sound system clash, a dance party and a launch into an alternative universe.

The Costume Designer will realise the costume designs for our company of 6 Afrinauts - a group of visually fabulous strangers who arrive at each event and, through interactive participatory experiences, lead audiences towards an explosive climax at the end of each day.

Ancient Futures aspires to not only entertain and celebrate West African culture but also to activate, inspire and build a pathway to imagine a more positive future for us all.

ABOUT YOU:

Essential skills:

- A demonstrable track record designing and creating costumes for mid to large-scale outdoor contexts
- An affinity with the themes being explored within *Ancient Futures*

You will enjoy working in a co-devising process with the rest of the creative team, made up of 6 other performers, 2 co-directors: Vicki Dela Amedume (Upswing) and J Spooner (Unlimited); with a writer, music maker and other designers.

While we are specifically looking for company members to join us for *Ancient Futures*, these sessions are also an opportunity for us to meet new designers for future projects as well.

DATES:

UNLIMITED THEATRE & UPSWING are Co-Producers of *Ancient Futures*

We are fiercely committed to promoting and creating equality and fairness and to reflecting the diversity of the communities we serve in our staff, freelancers, Board, artistic output and the audiences we reach. Unlimited is an actively anti-racist organisation (you can read more about the detail of our anti-racist work [here](#)) and we welcome, respect and value all people from all backgrounds irrespective of their gender, sex, sexuality, race, heritage, skin colour, disability, religion or anything else that mainstream society considers 'different'. We support

and celebrate 'difference' and we expect all our employees, freelancers and Trustees to join us in promoting these values; to treat each other with sincere respect; to support and take care with each other; to be mindful of personal experiences and circumstance and, further, to bring attention to, report or call out behaviour that is hurtful, degrading or disrespectful in any way - no matter how 'small' or unintentional those instances may be.

We are working particularly hard to ensure this opportunity reaches people from communities that are currently under-represented in the arts. If you're reading this and can help us reach more people who identify as Black or from the global majority, then we would be very grateful for your passing it on.
